

NORTH BEND STATE PARK

Farm-to-Table

WELCOME HOME!

Reserve your
seat!
304-643-2931

Before North Bend became a WV State Park in 1954, this area was active farmland to the Douglas and Cokeley families. Open pastures as far as the eye could see and the classic white farmhouses graced our beautiful park. Come on down to the "farm", enjoy a meal around the table with your family, and let life slow down for a few hours.
